School Report – Sharon Lenger was not present. Fr. Erich reported enrollment was doing well.

Fr. Erich reported Bible study with Deacon Dave and RCIA is going well. The cow project is going well at St. Simon and is at 12 cows. Finance committee met with the Archdiocese representatives on the new capital campaign and will let Parish council know how we can help.

Members of Parish council attended the workshop for parish council development through the Archdiocese and Pat Whalen from this program will attend our next meeting in April to give a synopsis of this event and how we can use these skills to help the parish. Most of the meeting's discussion was around this event and what was learned and could be incorporated.

Chris, Art and Anita agreed to add one additional year to their time to serve on council.

Proposal made to incorporate the members of Stewardship council into the Parish council, so that they are not waiting on anyone to continue their good works.

The next meeting is April 13, 2015 and the meeting closed with a prayer.
